Re: Galina Chukhlebova

To Whom It May Concern:

As an employee of Premier Care Nurses, Galina Chukhlebova has worked as a home care aide for my mother since May 5, 2007 providing live-in care. Ms. Chukhlebova is honest, hard working, personable, and competent in every way imaginable. She is also very knowledgeable about good nutrition and healthy eating.

Because I live mostly in the northeast and my mother is in Florida, my family and I rely on Galina for care and companionship of our mother and her excellent performance gives us total peace of mind.

This is a most capable woman and I recommend her without reservation.

Very truly yours,

Beth H. Davis
