

Dear  
Premier CARE

6-18-05

Thank you for the wonderful care  
you have given to my mother Henrietta Baker.

Your calls showed what a genuine,  
caring company you are. Just sorry I  
did not have you in the very  
beginning of Mom's care.

Please give Aida Antonina Volkova  
my most heartfelt thanks. Her  
extraordinary care of my mother  
was far more than any Aida ever  
gave her.

Again thank you and thank you  
to your company for wonderful  
service. If ever asked, I will sing  
of the praise of your care + service

Sincerely yours  
Carolyn
