To Whom It May Concern

I am very fortunate to have Darina working for me for almost three years. I am 88 years of age and she has taken wonderful care of me. She takes care of me with love, compassion and sincere feeling. She is more than an aid, she is a friend who sees that I am well taken care of and safe.

I am very fond of her. Her work is good and taking care of me - as well as.

As for driving: I couldn't find a better, more careful, excellent driver. Her memory is wonderful, she has never forgotten where all my doctors are, their phone numbers - where I have to go for appointments + treatments.

I fully recommend her. She is honest and trustworthy.

Sincerely

Henrietta Eisenberg
